ham P. Bundy, is now deputy as Press Secretary Pierre Salinger sistant secretary apparently believes, like By this time virtually everyone is sistant secretary of defense. A and has only recently come to good for you, a double dosage will familiar with the fact that one of president, he left private law pract work for the Kennedy administra-

jobs, by virtue of the fact that he decides what presidential news will be made public, and why and when.

There are at least two husbandwife teams in top-drawer New Frontier society. Margaret Price became vice chairman of the Democratic National Committee immediately after John F. Kennedy captured the nomination at

the Democratic convention last ammer.

Last spring her husband, Hickman Price Jr., followed her to Washington to become assistant secretary of commerce in charge of domestic affairs. During the dear dead Republican era preceding the Kennedy administration, Price had been somewhat removed from domestic affairs. as executive vice president of

the Mercedes Benz Co. of Brail, in Sao Paulo.

Another husband-wife team is. the Louchheims. Katie, who for eight years while Adlai Stevenson was titular head of the party had been vice chairman of the Democratic National Committee, was bounced from the position by the Kennedys, to make way for Margaret Price.
